## IVR Instructions

1. Dial 520-740-6970
2. For English, press "1" or "2" for Spanish
3. Press "1" to schedule the inspection
4. Use the telephone keypad to enter your activity number – ex. for T10EL00916, enter 8103500916. (See Key box for help) Note: you are entering zeroes, not the letter "o". on all permits issued except an "OT" permit. "OT" or "OTHER" permits are used for Signs, C of O and Floodplain.
5. The Recording will state the property address.
6. Press "1" to schedule the inspection for the following day. Or choose from the dates offered. Please note that you can schedule an inspection up to 3 business days in advance through the IVR system.
7. Enter the inspection code (found on your inspection card). Make sure you include the leading zero (ex. 02070). Recording will repeat the name of the inspection.
8. You may leave a voicemail for the inspector when prompted that should include any instructions you may have. Or Press "2" to continue without leaving a message Recording will state inspection date
9. Enter inspection code of the next inspection. Recording will repeat the name of the inspection.
10. Press "2" to continue without leaving a message or leave another voicemail if needed.
11. When all inspections have been entered, press # key.
12. Press "1" to hear the confirmation number. Be sure to write it down. If you have problems receiving an inspection, you will be asked for this number.

The Commercial and Residential Inspections Department closes at 3:30 PM. If you have not received your scheduled inspection prior to 3:00 PM please contact 520-837-4987 The Engineering and Landscape Inspections close at 3:00 PM. Please call 520-837-4991 prior to 2:30. If there is no answer, please leave a message and your call will be returned the following morning.
